Knitting Class for Non-Knitters – Absolute Beginners: this is for you!

This Knitting Class for Non-Knitters consists of two 1.5-hour classes, held weekly.

A knitting class in a class by itself specifically for absolute beginners! You will receive a gift bag containing needles, yarn and a few notions – everything you need to make your first project, all included in the \$55 course fee. Learn to hold your knitting needles and yarn comfortably, cast on, knit, and bind off. Maximum 4 people to a class guarantees lots of individual attention and learning in a comfortable, stress-free environment.

Class 1

In this first knitting class you will learn to hold your knitting needles and yarn comfortably, cast on and start to knit a beautiful & useful dishcloth which you will take home with you and continue on your own.

You're no longer a non-knitter; awesome first project for an absolutely beginner.

Class 2

We will look at your dishcloth and figure out what's right and what's wrong. You will learn to join cast off and perhaps – if you're ready – learn to purl!!

What's next? Take the [not-quite-a-beginner class](#) and learn to read a pattern, fix mistakes & lots more (sneak peak – you'll end up with a pair of mittens!)
